

# VISTA CURE WB

WAX BASED CONCRETE CURING COMPOUND

## DESCRIPTION

**Vista Cure WB** is a concrete curing compound to prevent premature water loss from concrete. It is based on Low viscosity emulsion pigmented with titanium-di-oxide for reflection of sunlight to dissipate surface heat. It conforms to ASTM C-309-90 standard.

## USES

**Vista Cure WB** is sprayed or brushed on freshly laid concrete surface to form a thin film barrier against premature water loss. Without hindrance to the normal curing phenomenon due to adequate hydration, water held by the concrete matrix and for very slow evaporation of water from below the membrane so that concrete achieves maximum beneficial properties.

## APPLICATIONS

**Vista Cure WB** curing membrane is recommended for application to the newly laid concrete once the surface water has disappeared. For large areas of concrete. Power driven automatic spray equipment attached to paver machine is employed. The content is to be stirred well before application as done in paints application.

## PROPERTIES

Aspect	White Liquid
Specific Gravity	1.0 to 1.01 Kg / Ltr
Coverage*	4.5 to 5.5 m <sup>2</sup> / Ltr

▶ Minimum application temperature 10<sup>o</sup>c

\* Coverage depends on sites conditions such as wind velocity, temperature, humidity and porosity of the surface.

## SHELF LIFE

12 months from the date of manufacture. Container should be protected from direct sunlight.

## PACKING

220 Litre HDPE container or as required.

## HANDLING PRECAUTION

Vista Cure WB is non —Toxic and Ingestion is to be avoided. Any splashes to the skin must be washed with water. If contact with eyes occurs, wash well immediately with water and seek medical advice.

## NOTE

▶ The contents of the technical data sheet are for general information and guideline only. Results shown here are generated from our laboratory or from our site experiences. This behavior may change as per prevailing condition at the time of application.

▶ VISTA maintains a team of technical trained professional to provide full support in regards to any of our products.
